For meeting sponsorship, sponsors are invited to talk to the group as a whole for about 2 minutes if wanted. There is room for a table-top display if desired, but not for a full-sized booth. Other marketing materials and goodies are welcome. It's a great opportunity for networking. Sponsorship helps fund and speaker costs and allows us to continue sponsoring happy hour beverages (which is a big hit at our meetings).

Newsletter and blog sponsorship earns a logo included on the newsletter and website with a link to your website. The subsidence/earth fissure ad includes a logo with contact info and link in the subsidence/earth fissure section of the website and newsletter. This is commonly referred to by the Arizona Geological Survey and other agencies when asked for relevant recommendations. The holiday meeting is our annual end of year meeting and is usually held at a special venue with family and friends encouraged to attend. Sponsorship makes this possible. Space for table-top displays and booths is available.
